Yaeyama Outlying Islands Map

Funauki ~Go to westernmost edge of Iriomote ~
【What kind of Funauki?】 Located on the westernmost edge of Iriomote Is., Funauki is a place that retains the scenery of ancient times. It is a lone island accessed by boat from Shirahama port, which is at the end of the road. The waters of Funauki Bay are very clear, and the brilliant coral visible from the glass boat are definitely worth a look.
